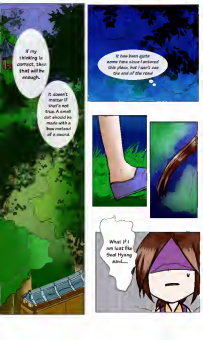
Thanks for taking the time to read this message...

She's actually inside.

This isn't working properly.
crackle
Their weapons do...

It's a barrier. And a very complex one at that...
It's not easy to remove.

Eek, Yao Room Han couldn't have made something like this...
YOUNG MISTRESS! ARE YOU ALL RIGHT?



Did Yao Room Han go inside alone?
Yes, she did.

But if it's not her, and it's for some other purpose by another person...
If Yao Room Han is really the good protectress, we don't really have to break the barrier in order to enter.
...then what about preparing for something that might happen?

No, it's alright.
But your Highness, it would be dangerous, we should do something about the barrier.
Do you want me to give you a hand?

The sword is too strong for this. What I need is a sword cut into the barrier and some out alarm. They don't naturally have to be emblem.
What do you mean by a metal cut and some emblems?

If my thinking is correct, then that will be enough.
It doesn't matter if that's not true. A sword cut should be made with a little emblem of a sword.
It has been quite some time since I entered into place, but I can't see the end of the road.

What if I am lost the Soul Tyrant dies...

I only practiced the ghost because there's no other way to enter, but if I don't find anything here,

But why is this place forbidden to enter?

Oh...regret, what should I do in such the hurt?

How this place is somewhat...

Then every room have visitors, not his calm down...

That's it!

BLUE...BLUE DRAGON?

WAIT FOR A MOMENT...

Thunderbolt

WHAT'S THIS PLACE? WHY IS NOT WHITE UP WITH ALL OF THOSE BIG TREATURE

Come to think of it, the butterfly is the symbol of the country Shu...Ah!

IT SHU'S FRIENDS?

I'm confused...

Did I really not miss it?

That was the first one that I've seen.

And the butterfly...

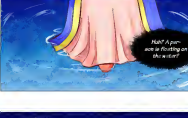
There's one left.

I don't know about it for sure, but I think it wants me to follow it.

Hmm?

It's been a while since I've visited here. It made me a little bit familiar for me...

This is Goh's shop where I met the emperor.



Huh? A person is floating on the water?

Is it person or not? It's not a ghost?
I think I'm possessed or something.

The butterfly...
Is she dead?
I thought it was possible, but you really followed it.

I am sorry to call the trespassed guest out like this, but there was no other way so please understand what I did

I am glad to this place and can't leave. Nice to meet you.
Yes Room Mon. There was a lot of things that I wanted to say to you...
